EVENT POSTER/BROUCHER:

OBJECTIVE OF THE PROGRAM: IDENTIFY THE PROBLEM'S FACED BY THE FISHERMAN IN MANAPAD

BENEFITS IN TERMS OF LEARNING/ SKILL/ KNOWLEDGE OBTAINED:

- **Improved real world learning experience**
- **It increased empathy, tolerance and critical thinking skills**
- **Gained knowledge about fishing business and its difficulties**

DESCRIPTION OF THE ACTIVITY:

Manapad being a village is known for its beauty and celebrity. It is called as the coast of pearl fishery. Fishermen over there works tirelessly day and night. Their work is their identity. 16 students were accompanied by two staff members to visit the place in person and gain real time learning experience and to identify the problems

faced by the fishermen in Manapad. Students interviewed the fishermen in Manapad to understand the problem faced by them in fishing business. Set of questions were raised by the student participants to them in person and the answers were recorded. The main problem faced by fisherman is lack of support and guidance. There are few other problem raised due to power plant and other upcoming projects. Sand dunes stand as barrier to fishing, Fishermen are worried since it is impossible to sail in shallow waters. They desire and expect the Government of Tamil Nadu to look into their issue for proper guidance and alternative arrangements. The trip was very useful that the students were able to interact with the fishermen and gained knowledge about fishing business and the difficulties involved in it.
